

FN DaDealer

DEBUT MIXTAPE **BIG DEAL** AVAILABLE ON ALL PLATFORMS

At only 18 years old, Jakobe Moody, better known as FN DaDealer is carving out his path within hip hop. Born on the southside of Atlanta, Georgia; FN credits his early musical inspirations to leaders of the trap music movement T.I and Young Jeezy. As a kid FN was surrounded by hip hop, as his brothers used to rap, which led FN exploring the genre for himself. His artist name FN DaDealer came from the abbreviation of "From Nothing" with DaDealer as a nod to his time spent hustling. After connecting with a local cameraman by the name of Wolf, FN went on to drop his first music video for his song "All Of Me" (2020) followed by "Hard Head" (2020) ultimately catching the attention of GRAMMY-award winning artist Young Thug leading him to ink a deal with Young Stoner Life Records/ 300 Entertainment all while graduating from high school. A hustler at heart, FN's main mission is to show everyone that making it out is possible. FN has his eye on the prize and is achieving his goals one banger at a time.
