

R3 DA CHILLIMAN

LATEST SINGLE "ICE" OUT NOW!

UPCOMING PROJECT CHILLI SEASON RELEASING WINTER 2023

At only 22 years old, R3 Da Chilliman has established himself as one of hip hop's most promising acts; his signature West Coast flow and intentional bars set him apart from the pack. A Moreno Valley native, R3 has built a rock-solid foundation in his city, but now he is ready to take the world by storm. The rap moniker R3 Da Chilliman was born from his long-time nickname R3, combined with a slang term "Chilli" which stands for money. For R3, his rap persona is representative of everyone who knows how to hustle, work hard, and achieve greatness - he notes that he makes music for "everyone who is getting to the money."
