Rising New Dallas rap artist **HeadHuncho Amir** is back with his powerful new single “**You The Biggest**,” the first release from his upcoming mixtape *50 Year Run*, set to drop on **October 17th**.

“You The Biggest” captures Amir’s relentless drive and vision not just to inspire his city, but to motivate himself as he builds a lasting legacy. The track is the perfect intro to his upcoming project *50 Year Run*, which also embodies the endurance, determination, and self-belief behind Amir’s mission to create an imprint that resonates for the next 50 years. He’s in the pursuit of balance, where health and wealth go hand in hand.

The new single follows Amir's recent run of momentum, including his gritty April release "[Still Ain Nun Bigger](#)" and his summer drop "[New Dallus](#)" – a track that's been making waves and showcasing Amir's versatility. Together, these records highlight his consistency and his determination to put his city firmly on the map. Beyond the music, Amir also took his grind to the stage this summer, hitting the road with **EST Gee**, where he earned new fans and proved he can hold his own alongside some of hip-hop's most respected names.

With *50 Year Run*, Amir is setting his sights even higher, delivering a project that's as much about perseverance as it is about ambition. Stay tuned for more.
