ABOUT TEE GRIZZLEY

Tee Grizzley knows the power of every decision. Before rising to the forefront of hip-hop as a chart-topping, multiplatinum force, the proud Detroit native came home from prison and chose to change the course of his life. He embraced accountability, turned pain into purpose, and developed a brand of vivid, cinematic storytelling that stands entirely on its own. Grizzley's 2016 breakout single "First Day Out" went 5x-Platinum, launching him into the national spotlight. He followed up with a powerful body of work including the double-platinum "From the D to the A" [feat. Lil Yachty] and gold-certified hits like "2 Vaults," "Jetski Grizzley," "No Effort," and "Satisf." Over the years, he has amassed over 6 billion streams, scored three consecutive Top 20 debuts

on the Billboard 200, and sold out shows across the country. In 2022, he released the groundbreaking visual album *Chapters of the Trenches*, expanding the “Robbery” narrative series and earning praise from outlets like Billboard, who dubbed him “Rap’s Martin Scorsese.” He continued that momentum with 2024’s *Post Traumatic* and the joint mixtape *Controversy* with Skilla Baby. His solo project *Tee’s Coney Island* included the gold-certified hit “IDGAF” [feat. Chris Brown & Mariah The Scientist], which he performed live at the 2024 BET Awards Red Carpet Pre-Show. With high-profile co-signs from JAY-Z and LeBron James, an appearance on MSNBC’s *The Beat* with Ari Melber, and a rapidly growing multimedia presence, Tee Grizzley continues to evolve as both an artist and cultural voice. With *Forever My Moment*, he delivers his most honest, elevated, and emotionally charged work to date.
