1900Rugrat’s incredible rise kicked off last summer with the release of the RIAA Gold certified smash, “One Take Freestyle.” Propelled by 19’s snarling delivery and an electric *On The Radar* live performance, the track went viral, amassing over 100M worldwide streams and counting. The Palm Beach County native kept the momentum going with his debut mixtape, *Porch 2 The Pent*. Along with his prodigious studio output, 19 has spent much of 2025 honing his onstage skills with show-stealing performances at Rolling Loud California, the Lyrical Lemonade Summer Smash, dates alongside BossMan Dlow on his sold-out “Dlow Curry Tour.” Next up, 1900Rugrat will co-headline with BabyChiefDolt at The Regency Live in Springfield, MO (November 15) followed by Yung Gravy’s Gravy Fest 2 at The Armory in Minneapolis, MN (November 26).
