South Florida rapper **1900Rugrat** has announced his debut album, ***Big Ah Kidz***, arriving on Friday, November 7 via **Remain Solid/300 Entertainment**. ***Big Ah Kidz*** is heralded by today's premiere of the brand new single, “**Every Week**,” featuring **Quavo** and **Loe Shimmy**, available now [HERE](#).

***Big Ah Kidz*** continues a landmark year for 1900Rugrat that has already seen him building momentum with such singles as “[Chicken Member](#)” featuring BabyTron, “[Where Da Fine Shyt](#)” featuring Rio Da Yung OG and “[Ain't No Love](#)” featuring BabyChiefDoit and BAK Jay. 1900Rugrat's unpredictable bars and quotable punchlines have quickly established him as one of the South's most promising rappers, earning him prestigious placement on XXL's Freshman

Class 2025, along with accolades from such high profile publications as *The New York Times*, *Billboard* and *The FADER*.

1900Rugrat's incredible rise kicked off last summer with the release of the RIAA Gold certified smash, "One Take Freestyle." Propelled by 19's snarling delivery and an electric *On The Radar* live performance, the track went viral, amassing over 100M worldwide streams and counting. The Palm Beach County native kept the momentum going with his debut mixtape, *Porch 2 The Pent*. Along with his prodigious studio output, 19 has spent much of 2025 honing his onstage skills with show-stealing performances at Rolling Loud California, the Lyrical Lemonade Summer Smash, dates alongside BossMan Dlow on his sold-out "Dlow Curry Tour." Next up, 1900Rugrat will perform at Gods of Chaos Halloween, a one-night-only hip-hop-meets heavy metal extravaganza at Chicago, IL's historic Byline Bank Aragon Ballroom also featuring Three 6 Mafia (October 31), Kodak Black's Bill Kill in Fort Lauderdale (November 1), and Yung Gravy's Gravy Fest 2 at The Armory in Minneapolis, MN (November 26).
