**(New York, NY – March 16, 2026)** — 2x GRAMMY® Award-nominated, RIAA Diamond certified rap icon **Fetty Wap** is back at last with his hugely anticipated fourth studio album, ***Zavier***, arriving everywhere on Friday, March 27. The news is heralded by today's premiere of the official ***Zavier*** album trailer – watch **HERE**. Pre-save the album now **HERE**.

*"I'm just happy and grateful to be back, and thankful that my fans didn't forget about me. I'm so thankful to my family, fans and team for holding me down. This new music is a reflection of a new chapter in my life. I just want to bring back good energy and good vibes. I love y'all."* - Fetty Wap

Fetty will celebrate *Zavier* with a series of upcoming East Coast live dates beginning April 4 with a sold-out home state homecoming at Montclair, NJ's The Wellmont Theater and then followed

by shows at Hartford, CT's sold-out The Webster Theater (April 9), Albany, NY's Palace Theatre (April 16), and Stroudsburg, PA's Sherman Theater (April 17). Additional dates will be announced soon. For updates, please visit fettywap.com.

9 – Hartford, CT – The Webster Theater (SOLD OUT)
16 – Albany, NY – Palace Theatre
17 – Stroudsburg, PA – Sherman Theater

# # #

Last year saw Fetty Wap marking the milestone 10th anniversary of his self-titled breakthrough debut album with an expanded double-LP vinyl edition, available HERE. *Fetty Wap* made a spectacular debut at #1 on the *Billboard 200* album chart upon its September 25, 2015 release, fueled in part by the RIAA Diamond certified smash hit single, "Trap Queen." The explosive success rocketed Fetty to worldwide stardom, earning him GRAMMY® Award nominations for both "Best Rap Song" and "Best Rap Performance," as well as the MTV Video Music Award for "Artist To Watch," the iHeartRadio Music Award for "Best New Artist," and the Billboard Music Award for "Top New Artist."

*Fetty Wap* spawned a string of massive hits including such generational anthems as the 6x Platinum "679 (Feat. Monty)," the 3x Platinum "My Way (Feat. Monty)," and the 3x Platinum "Again," all of which established the Patterson, NJ-based rapper as the first act in the 26-year history of *Billboard*'s "Hot Rap Songs" chart to land his first four singles in the Top 10 simultaneously. Released in February 2016, "Jimmy Choo" saw Fetty keep the momentum going, proving his fifth consecutive single to debut in the "Hot Rap Songs" Top 10. In early 2025, *Fetty Wap* made a surprise return to the *Billboard 100* following the viral resurgence of "Again," which ascended to #1 on the *TikTok Billboard Top 50*.

All told, Fetty Wap proved an indisputable crossover phenomenon around the world. Along with its blockbuster commercial achievement, the album racked up a wide array of accolades including an American Music Award nod for "Favorite Rap/Hip-Hop Album" and high ranking placement on year-end lists in such publications as *Complex*, *NME*, *SPIN*, *Vice*, and *Pitchfork*. Fetty continued to connect with such full-length projects as 2021's *The Butterfly Effect* and 2023's *King Zoo*, along with multiple mixtapes including his popular *For My Fans* trilogy.

Beyond music, Fetty has consistently reinvested in his community by using his platform to spotlight underserved communities, supporting annual back-to-school drives in Paterson, donating supplies to local youth programs, participating in holiday give-back initiatives for families in need, and advocating for vision care, education, and economic empowerment. Fetty has remained vocal about accountability, growth, and returning stronger – for his family and his city.

Often credited as a pioneer of the "Trap&B" sound, Fetty Wap carved out a lane where melodic hooks meet trap production, blurring the lines between rapper and singer. Today, Fetty Wap's story is one of evolution and unceasing resilience. From Diamond Award plaques and sold-out tours to personal trials and renewed focus, Fetty's legacy extends beyond chart positions – it lives in cultural impact, community reinvestment, and the unwavering belief that where you

come from does not limit where you can go. Now, with the eagerly awaited *Zavier*, Fetty Wap continues his creative journey, once again blending emotion, melody, and street sensibility into something resonant and all his own.
